

A Voice For Good

RACQ Political and Government Engagement Framework

Our Vision

We are the trusted, independent, leading voice that advocates on the things that matter most to our members, community and organisation

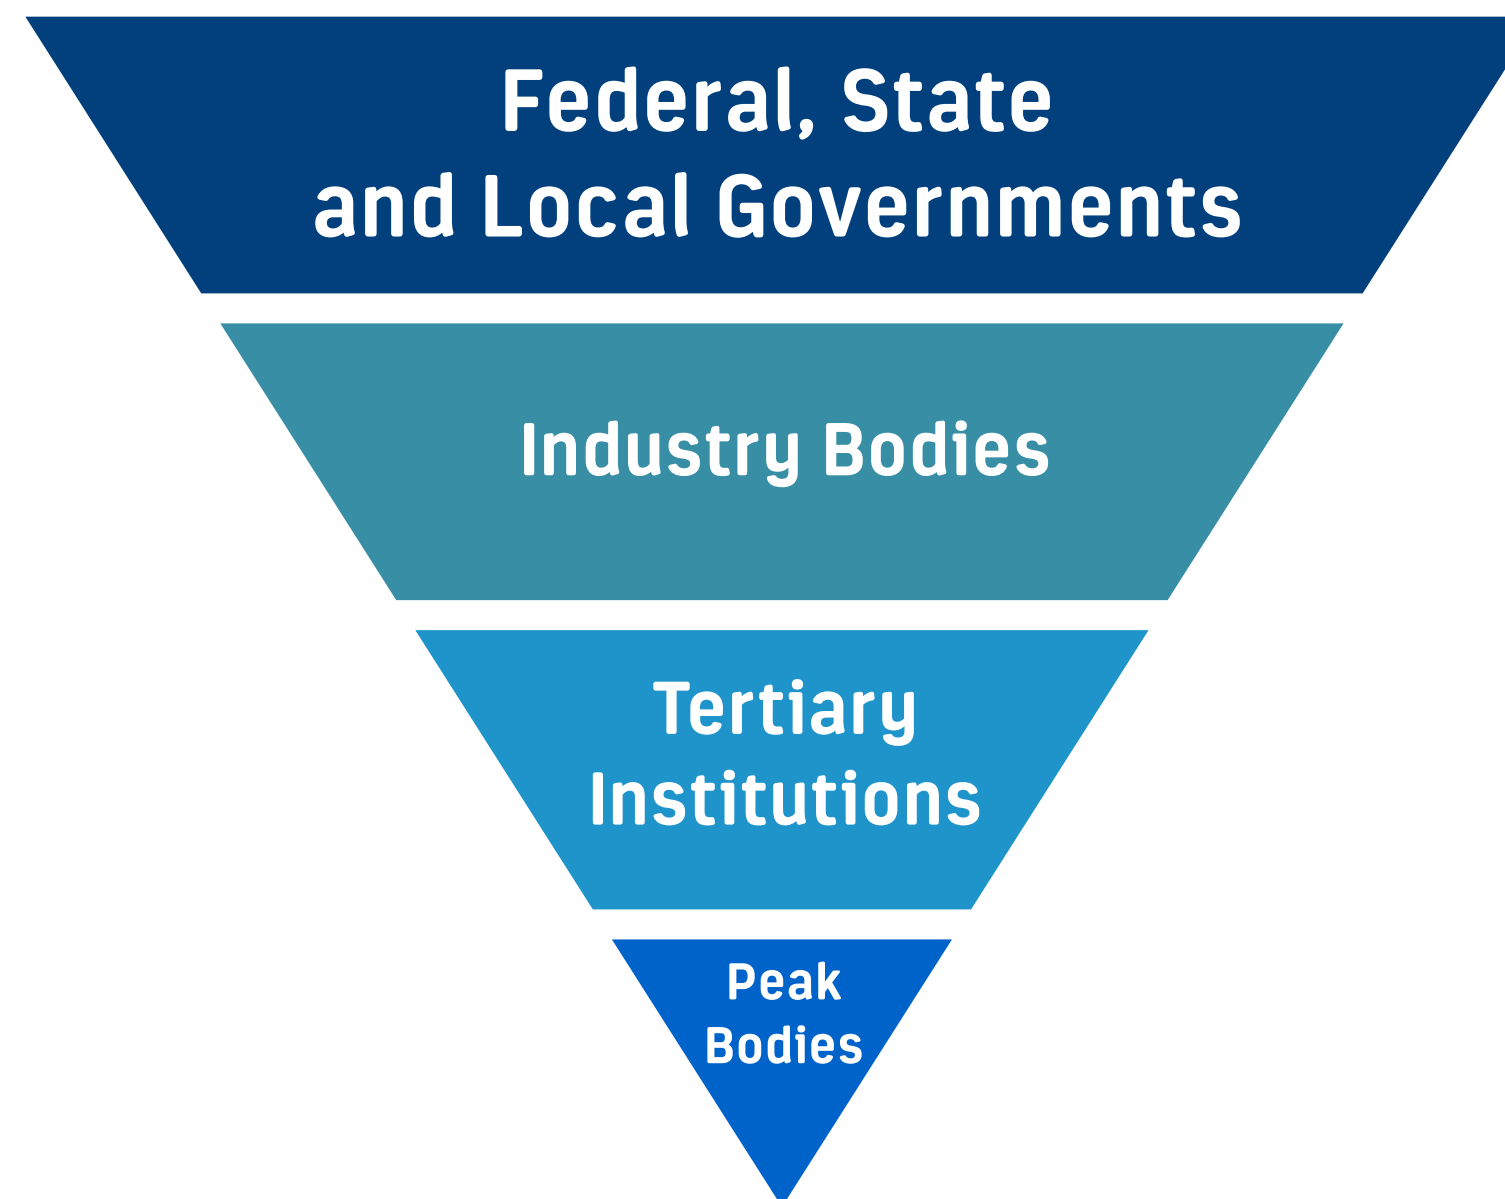

Our Goal – to deliver on our CASE for Change four key advocacy priority areas

① Climate Resilience | ② Affordability | ③ Safety | ④ Electrification and Decarbonisation (Home and Mobility)

Four KEY Principles

WHO we engage

HOW we engage

Positive, Purposeful, Productive Relationships

A Voice For Good
